ADMINISTRATION

The State Treasurer is responsible for receiving and investing state moneys, posting receipts to the proper funds, and signing warrants drawn according to law. As custodian of those funds, the State Treasurer determines the amount of state moneys not needed for current operating expenses and invests those funds in interest-bearing time deposits in Missouri financial institutions or in short-term United States government obligations or other instruments as provided by Article IV, Section 15 of the Missouri Constitution. Safety and liquidity are the State Treasurer's priorities in the investment of the public's funds. The State Treasurer monitors capital markets and works to maximize the return on the state's \$3.6 billion portfolio without compromising safety, earning the state millions of dollars in interest income each year.

In 2009, State Treasurer Zweifel worked with various groups, including small businesses, farms and community lenders to pass his job creation package, *INVEST IN MISSOURI*. The *INVEST IN MISSOURI* legislation enacted statutory changes regarding time deposits, with the most significant change allowing the state to receive a market rate on time deposits for the first time in 50 years. *INVEST IN MISSOURI* also made major changes to the Missouri Linked Deposit Program, including expanding eligibility criteria for the farm operations and small business programs, creating new programs for local governments and alternative energy consumers and incorporating other modifications to create jobs and reinvest in Missouri communities. Under the Missouri Linked Deposit Program, the State Treasurer places deposits in Missouri financial institutions at a discount of up to 60 percent on the normal market interest rate. In turn, the financial institutions pass on the interest-rate savings by making loans to qualified borrowers at interest rates no more than 70 percent of market. Qualified borrower categories include agriculture, job creation, small business, alternative energy, local governments or other authorized categories.

The State Treasurer is also responsible for all state banking services, for authorizing all state payments and for reconciling those accounts. The State Treasurer establishes bank accounts for the collection of state moneys and for the receipt of all electronic payments. To protect taxpayers' money, the State Treasurer maintains a separate accounting system to provide a check and balance on the Office of Administration accounting system, and distributes investment earnings to the proper funds.

Additionally, the State Treasurer administers the state's unclaimed property law by collecting unclaimed or abandoned property – often money – belonging to Missouri citizens and trying to locate the owners. The Treasurer is committed to returning as much property as possible and continues to break records in both the dollar amount of property and accounts returned.

ISSUING DUPLICATE AND OUTLAWED CHECKS

The State Treasurer is charged with replacing state-issued checks in the event they are not presented for payment within the legally required 12-month time frame.

ABANDONED FUND ACCOUNT

In accordance with Section 447.543, RSMo, the abandoned fund account receives funds that have remained unclaimed for a statutorily defined period of time, generally five years, and makes the payment of valid claims. Any time the fund exceeds 1/12 of the previous fiscal year's disbursements, the State Treasurer may, and at least once every year shall, transfer the excess to general revenue. If verified claims for payment should reduce the balance in the account to less than 1/12 of the previous fiscal years disbursements, the State Treasurer shall transfer from general revenue an amount sufficient to restore the fund to 1/12 of the previous fiscal year's disbursements.

LINKED DEPOSIT REFUNDS

The Missouri Linked Deposit Program encourages economic growth and development in Missouri. It enables the state to provide reduced-rate deposits to financial institutions, which in turn make low-interest loans to eligible borrowers, as specified in Section 30.750, RSMo. The State Treasurer places a linked deposit with an eligible lending institution at up to three percent below market rate, provided that institution agrees to lend the value of the deposit to qualified borrowers at below the current borrowing rate. If the lending institution does not loan the full amount of the deposit, the institution must pay the state the additional amount, up to three percent discounted by the agreement. If a subsequent audit or review uncovers an overpayment error in the calculation of additional interest due, a refund must be made to the lending institution. If the State Treasurer determines that the lending institution miscalculated and overpaid additional interest, a refund is made to the lending institution.

The FY 2015 budget includes appropriation authority for a 1% pay raise for all state employees, except elected officials, members of the general assembly and judges covered under the Missouri Citizens' Commission on Compensation for Elected Officials, beginning January 1, 2015 (11 pay periods). The remaining 13 pay periods were unfunded, but the stated intent of the legislature was to provide the funding in FY 16.

Claim payments in FY2014 were \$40 million which was an increase of 368% since FY2000 and 91% increase since FY2005. The number of accounts paid has increased 282% since FY2005. The Missouri Unclaimed Property Division has been in existence since 1985, but nearly half of the total amount of claims paid have been processed and paid in the last six years. Focusing these additional resources would allow the STO/Unclaimed Property Division to continue to increase payouts to more claimants in a timely manner.

The three requested FTE would all be utilized in the claims process with a goal of reducing the claims processing time to less than twenty days.

The statutory authorization for the Unclaimed Property Division can be found in RSMo. 447.500-447.595.

Historical data including amounts reported, amounts returned, accounts returned, and processing times were reviewed to determine additional staffing was needed. 2. CORE DESCRIPTION																																																																																							
<p>In the event an audit indicates that an interest refund is due to a depository regarding a linked deposit, adequate funding must be available to make the refund. Section 30.758.5 provides that "...the state shall receive market interest rates on any linked deposit or any portion thereof for any period of time for which there is no corresponding linked deposit loan outstanding to an eligible..." borrower. When a financial institution miscalculates and overpays the amount of market interest owed to the STO, the STO must have a mechanism to refund the overpayment.</p>

**STATE OF MISSOURI
FUND FINANCIAL SUMMARY**

DEPARTMENT: Office of the State Treasurer
FUND NAME: State Treasurer's General Operating Fund
FUND NUMBER: 0164

REVENUE SOURCE: The source of revenue for this fund is the retainage of interest earnings as authorized by Section 30.605 RSMo.

FUND PURPOSE: This fund is used for the general operations of the Office of the State Treasurer excluding the Unclaimed Property Division (separately funded through the Abandoned Fund 0863). The salaries and fringe benefits for employees performing investment, cash management and administrative duties as well as related expense and equipment costs are paid from this fund.

EXPLANATION OF UNEXPENDED APPROPRIATION AMOUNT: The State Treasurer's Office experienced three staff retirements during FY 14 as well turnover in several other positions. Not all of the staff were able to be replaced quickly, and when the positions were filled, the starting salaries of the new staff were less than the exiting staff due to the longevity of the exiting staff. This turnover also temporarily reduced general spending as other staff were unable to obtain training as originally planned.

EXPLANATION OF OUTSTANDING PROJECTS: The State Treasurer's Office has several in-house systems that require routine maintenance from in-house staff. These systems are sufficiently aged that updating of the system and the source code are necessary to keep them functioning properly. The State Treasurer's Office plans to update these systems as resources and funding are available with both in-house and external programming staff.

EXPLANATION OF CASH FLOW NEEDS: Because interest receipts can fluctuate greatly month-to-month based on the state's overall cash flow, the State Treasurer's Office manages the cash flow needs of this fund by striving to maintain a fund cash balance of half a fiscal year's budgeted expenditures. This is accomplished by reviewing the interest retainage calculations on a monthly basis and adjusting them as needed.

OTHER NOTES: Notwithstanding the provisions of section 33.080, moneys in the state treasurer's general operations fund shall not lapse to the general revenue fund at the end of the biennium unless and only to the extent to which the amount in the fund exceeds the annual appropriations from the fund for the current fiscal year.

* Do not include in the Prior Year Actual column as doing so would double count lapse & reserve.

STATE OF MISSOURI
FUND FINANCIAL SUMMARY

DEPARTMENT: Office of the State Treasurer
FUND NAME: Abandoned Fund
FUND NUMBER: 0863

REVENUE SOURCE: The source of revenue for this fund is abandoned property remitted to the State Treasurer's Office by the holder.

FUND PURPOSE: This fund enables the Office of the State Treasurer (STO) to fulfill its advertising requirements for unclaimed property. The STO must mail notices, advertise in newspapers and utilize outreach programs (i.e. radio, television, internet website, booths at public events and other proactive owner location) in an attempt to locate owners. The STO must conduct an auction of items received that need to be liquidated and pay out claims to the rightful owners of the unclaimed property. The fund pays for salaries and fringe benefits of the Unclaimed Property Division staff and related expense and equipment costs effective FY2006.

EXPLANATION OF UNEXPENDED APPROPRIATION AMOUNT: Unexpended personal service dollars are the result of occasional staff turnover resulting in the division being not fully staffed for the entire fiscal year. Unexpended advertising and auction dollars are the result in cost savings achieved by competitive bidding. Unexpended claims amounts are the result of a fourth quarter increase in the estimated appropriation amount which exceeded the amount of unclaimed property claims processed for payment in that quarter.

EXPLANATION OF OUTSTANDING PROJECTS: The Abandoned Fund has no outstanding projects.

EXPLANATION OF CASH FLOW NEEDS: The Abandoned Fund's cash flow needs are to ensure sufficient cash balances to pay claims for unclaimed property. The State Treasurer's Office does possess appropriation authority to transfer funds from the General Revenue Fund should the cash balance in the Abandoned Fund become insufficient to pay claims.

OTHER NOTES: At any time when the balance of the account exceeds one-twelfth of the previous fiscal year's total disbursement from the abandoned property fund, the treasurer may, and at least once every fiscal year shall, transfer to the general revenue of the State of Missouri the balance of the abandoned fund account which exceeds one-twelfth of the previous fiscal year's total disbursement from the abandoned property fund, and, notwithstanding the provisions of section 33.080 to the contrary, no other moneys in the fund shall lapse at the end of the biennium.

* Do not include in the Prior Year Actual column as doing so would double count lapse & reserve.

STATE OF MISSOURI
FUND FINANCIAL SUMMARY

DEPARTMENT: Office of the State Treasurer
FUND NAME: Central Check Mail
FUND NUMBER: 0515

REVENUE SOURCE: The source of revenue for this fund is interagency billings to the agencies utilizing the central check mailing service. Agencies are billed based on the number of payments they process through the service.

FUND PURPOSE: This fund is used for the central disbursement of checks for other agencies. The fund also assists in increasing efficiency and reduces costs statewide.

EXPLANATION OF UNEXPENDED APPROPRIATION AMOUNT: Actual expenditures are based on the level of usage by state agencies. That usage is out of the control of the State Treasurer's Office, and the fund has lapsed a portion of its expense and equipment appropriation in recent years.

EXPLANATION OF OUTSTANDING PROJECTS: The State Treasurer's Office will need to replace the mail handling equipment that bursts, folds and stuffs checks within the next five years.

EXPLANATION OF CASH FLOW NEEDS: The fund needs a sufficient cash balance at any given time to purchase postage when needed, pay necessary repairs on the mail handling equipment, and cover half of the salary and benefits of the staff person assigned to the central check mailing service. Billing has been shifted from quarterly to monthly to assist in better matching cash inflows to outflows.

OTHER NOTES: Any unencumbered balance in excess of fifty thousand dollars remaining at the end of each fiscal year shall revert to the general revenue.

* Do not include in the Prior Year Actual column as doing so would double count lapse & reserve.

**STATE OF MISSOURI
FUND FINANCIAL SUMMARY**

DEPARTMENT: Office of the State Treasurer
FUND NAME: Treasurer's Information Fund
FUND NUMBER: 0255

REVENUE SOURCE: The source of revenue for this fund are recovery costs remitted by those requesting information from the State Treasurer's Office.

FUND PURPOSE: This fund covers the significant amount of staff time, printing and postage in preparing and disseminating information and educational materials on all the programs of the Office of the State Treasurer.

EXPLANATION OF UNEXPENDED APPROPRIATION AMOUNT: The State Treasurer's Information Fund is a revolving fund that allows for the office to cover costs associated with the preparing and disseminating of information for programs we operate. Material unexpended appropriations are usually due to receipts from cost recovery not reaching the appropriation amount.

EXPLANATION OF OUTSTANDING PROJECTS: Projects are continually coming in as public records requests and other information based opportunities arise.

EXPLANATION OF CASH FLOW NEEDS: Receipts can fluctuate month-to-month based on the number of information request received by the State Treasurer's Office. Our office manages the cash flow needs of this fund by striving to maintain a fund cash balance large enough to cover the costs of a significant request for information.

OTHER NOTES: An unencumbered balance in the treasurer's information fund at the end of the fiscal year, not exceeding twenty-five thousand dollars, shall be exempt from the provisions of section 33.080 relating to the transfer of unexpended fund balances to the general revenue fund.

* Do not include in the Prior Year Actual column as doing so would double count lapse & reserve.
